jurisdiction. Karkal & Mudabidri Ranges - Udipi Redistribution.

In para 19 of his note of inspection of the Udipi & the D.C. S.I. reported that Mudabidri is a very extensive range that is full of crime & that the S.D. complains that he loses several cases through want of sufficient staff to guard lanes. The D.C. suggested that a little relief can be afforded by transferring the Kadinje & Bola villages to the Karkal range & stated that he was asking the A.C. to send up separate proposals.

The A.C. West Coast sent his D.O. stating that the two villages of Bola & Kadinje of Mudabidri range may be transferred to Karkal range. The villages are within a radius of 10 miles of Karkal whereas they are 15 miles & 12 miles respectively from Mudabidri

Maps showing the proposed Karkal range is submitted below (V). For the map of the existing Mudabidri range see flag (A). The D.C. supports the A.C.'s proposals. The two villages may be

be transferred to the Karkal Taluk
of Dharwad District. Statistics of the area
number of trees, shops & cases detected
in the two talukas are as per 2 Cy.
